

### **Serving Schedule for January 26, 2025**

Elders: Jairon Walk and Sue Larkin

Deacons: Carol Daniel and Ryan Larkin

### **Announcements**

Come join us for coffee hour Sunday at 9:15am in the fellowship hall. This will be the last coffee hour until March. Everyone is encouraged to support the Carlock Firemen's Breakfast during the month of February.

Please place your cereal donations for the Carlock-Danvers food pantry in the container in the narthex. During the month of February we will be collecting soap and shampoo donations. We appreciate everyone's help!

The search and call committee met with regional minister Eli Rolon Jeong Wednesday night to review applications for our new settled pastor position.

Our assigned unit of the Partners in Healing program is the Carle Medical Group/Family Practice at Eureka Clinic. We are asked to lift both staff and patients in prayer each week. If you have any suggestions for other ways to show our support (such as making cookies, cupcakes or cards), please talk to Jim or one of the elders.

The Week of Compassion will collect offerings on February 16 and 23. Week of Compassion works with partners to alleviate suffering throughout the world, not just the United States. If you're interested in helping those affected by the recent wildfires, you may designate California Wildfires 2025 on your check.

Please keep Lil and Marshall, Dorothy, Andy(Lou's brother), Leo(Jeanette's husband), and Tyler(Jennifer's nephew) in your prayers.

If you have information for the newsletter, please contact Sue Larkin at [pslarkin@msn.com](mailto:pslarkin@msn.com).
